**Personal mission statement:**

I am a passionate, hardworking individual. I always try to do all my work with excellence giving attention to detail. I love forming new relationships and always try to find a healthy balance between work, sports, relationships and rest. I decide on a goal and give my best to accomplish it. I perform well under pressure and complete all of my tasks on time. I am a quick learner who loves trying new things and if at first I don't succeed I try again.
